### YEAR 6M

At the end of each Tuesday and Thursday all classes finish the day with a reflection session we call 'Go You Good Thing'.

Last Thursday Year 6 reflected on three question then came up with a quote that suits how they felt. The questions were: What was the most challenging part of the day for you? Where is your favourite place in our classroom (or school)? Why? What are the three most important things you learned this week? These are their quotes.

Caleb: Do your best.

Daniel: Two hands are better than one.

Connor: Don't muck around and get the job done.

Adam: Never say never.

Nell: Always work hard.

Murphy: Blood, sweat and tears.

Shyann: Helping is rewarding.

Christina: Never quit.

Dexta: Every day's a new day.

Mitch: Winners never quit and quitters never win.

Travis: Team work always gets the job done.

Dom: Work hard, but work worth doing.

James: When in control, work occurs.

Kiara: Have faith.

Aden: Always try your best.

Amber T: Truth and faith.

Amber S: You only live once (YOLO).

Jade: Sharing is caring.

Chloe: Be inspired by the people around you.

Jet: Good to learn, bad not to learn.

## KH NEWS

Good to be back on deck this week. Luckily I didn't get sick concert week! Speaking of which concert night is this Thursday night. All Kinder students need to be at the Wentworth Club by 6.30 to have their faces and hands painted. Each student will bring home their costume after school on Thursday in time for them to wear them to the club. The masks are a bit delicate so I would advise children are picked up from school if possible or alternative arrangements are made to ensure they arrive at the club in one piece. A reminder that if you have not yet paid \$10 to the office this is required as soon as possible. A huge thank you to Larni Baird for her excellent craft skills in preparing the costumes. Thanks also to the Hugh Temby and his family for making our rocket prop.

Due to the concert I have not allocated any homework tasks this week.

Thanks very much for the fruit/veg donations that have been coming in. These are very much appreciated by the students.

Have a great week and I hope you enjoy our concert item on Thursday night.

Congratulations to Max Baird who was chosen as this week's Student of the Week.

Natalie Hopcroft

## YEAR 1-2S NEWS

Congratulations to our star student this week, Ben Follett who has been working very hard in class and doing some great space work. Also, congratulations to Oscar, Libby and Summer for receiving awards for this week.

Concert night is this Thursday starting at 7pm. All of 1-2S can arrive at my classroom from 6pm onwards to get into the costumes and make their way to the club from there. Thank you to all the parents/carers for getting the costumes together. A special thankyou goes to Kelli Saunders for all of her costume sewing, as well as Beryl Gooding. Also The Kennedy and Jones family for the use of their Karate suits for the dance. Thank you very much to Janet Smith for all of the props and help- you have been wonderful.

The mini- space project is due back by this Friday so that the children can present these in class next week.

This Friday we are having a space E-Day. The school will be participating in activities until lunch time, there will be rocket wraps for lunch, and after this, our class will be watching "Mars need Moms". Please return your P.G permission note so that your child can join us.

We are revising our school values daily; please discuss what behaviour is expected in our school with your child at home also. Working together on this will help ensure that all of our children can get on with learning at school in a happy, safe and respectful environment.

Have a great week,

Trish.

### **3/26 NEWS**

Tomorrow night is the concert and we are ALMOST ready!! Big thanks to all of the people that have helped us get to where we are today.

**Please meet at the classroom at 6pm** on Thursday night to collect costumes and get ready.

Congratulations to Olivia for being chosen as the Student of the Week this week. Well done also to James and Hannah for trying so hard in class time this week!

Please be aware that the '*Space Research Projects*' are due on Monday. If you have any queries, questions or concerns about the task, please come in and see me.

Cheers,

Brian

## YEAR 3-4M NEWS

Not long to go now!! Tomorrow is the day!! Our dance is polished off and we are all looking forward to being zombies tomorrow night.

Remember that we are meeting at 4.30 to get our faces painted. If you are able to come with your hair already teased, that would save us a lot of time. The children will be given something to eat before we go, therefore they will not be needing tea.

This Friday we are having a SPACE themed E-day. Remember to dress up in some space clothing (or re-cycle your outfit from Thursday night)!

Congratulations to our Student of the Week who was Brianna Bagnall for being a super 3-4M leader. Also congratulations to Lyle and Laurel for receiving achievement awards.

The year 4's will be heading off to camp this time next week! How exciting!! If you have any questions regarding this, please come and ask.

Have a great week everyone!

Bridgit Milne

## YEAR 4-5H NEWS

Wow, what a big last two weeks we are all having. On Tuesday the whole school had a full dress rehearsal for concert night.

Unfortunately some of my students still do not have their entire costume here at school. Please, please can all costumes be in so I can ensure everyone has all they need. On concert night I would like all 4/5H students at the Wentworth Club by 6.20pm as this will allow enough time to double check everything. I intend on sending home all of the costumes on Thursday so the children can arrive dressed in costume Thursday night.

4/5H will be selling raffle tickets at the door on the night of the concert. If anyone has anytime they could spare on the night to selling some tickets it would be greatly appreciated. I have organised my son, (I'm sure it will cost me) however I'm sure he will be run off his feet on his own.

Camp is next week. If anyone has any questions please feel free to contact Miss Milne or myself. I will be sending home a note asking for permission for students to watch PG movies as we will be having a movie night in the shearing shed.

Congratulations to Zac Hyde who is 'Student of the Week' and to Jaxon McInnes and Jaclynn Hanneman for receiving class awards.

Cheers Jenny

## YEAR 6M NEWS

A huge thank you to Larni Baird and her little helpers who have done a terrific job finalising the class costumes for the concert. Due to them being different, could **all Year 6's please be at the Club at 6:20pm** to put their costumes on. We are hoping for a full effect and it doesn't take long for them to get changed. Please ensure they have a labelled plastic bag to place their clothing they come to the club in.

Last week for our last Kitchen Garden session for the term some amazing pizzas were created. Thank you once again to Jodie Morgan, Mrs Anne Baird and Grumpy for their continual support in the Kitchen.

Attached to the newsletter is a final note regarding the Canberra excursion. Please ensure your child is at school by 6:30am, ready to depart at 6:45am on Sunday morning. Remember to have the four labelled and sealed envelopes, with the correct amount of money in each and any necessary medication ready to hand over to me on Sunday morning. If you wish, students with any appropriate G and PG movies can be given to me this Friday morning instead of Sunday morning for the trip.

No homework was sent home this week due to the concert. Homework will resume next term. Congratulations and top effort to those students who continually hand in homework. For those students who did hand in their Government/Canberra assignment last Friday, an extra well done for your terrific effort.

Please remember to encourage your child to read daily in the holidays and enter the appropriate data in their diary.

Hope you enjoy the concert,

Sandra Marziano
